# BAKE SALE

## Participation Rules

**If you would like to volunteer for our monthly bake sales, please sign up at www.agenj.com/events.**

You may sign up online as a volunteer for a baked good or volunteer to run the bake sale. 13 Spots per campus (10 bakers, 3 sales coordinator) will be open per month and you may sign up once the link is up at the above website. Please note in order to be considered please list the item you will send in the comment section and the campus you prefer (list both if you have no preference). Once you are approved as a volunteer, you will be added the whatsApp baking group by the PTO. Please only send baked goods, if you are confirmed. In an effort to encourage the students to eat healthier, we have introduced some fruits/vegetable themes of the month throughout the school year.

BAKERS: If you provide baked goods made  you will receive 2 PSH for 24 servings of the item. This month we are only doing cupcakes, can be vanilla, chocolate or strawberry. Please send only Halal Ingredients, Nut-Free, Home-made items that are presentable and easy to serve. Please also take into consideration that the serving size is sufficient for the $1 cost. Each sale will be a different theme of the month.

SALES COORDINATORS: For parents that are volunteering to run the sale, you will receive 2 PSH. Bake Sales will occur at Lunch Time, so please sign up only if you will be available between 10:30 am to 12:30 pm. Also in comment section mention that you would like to sell and preference for campus. Volunteering includes bringing the table to location of the sale, covering it with a table cloth, and putting up the "Bake Sale" banner. Please also display all the baked goods in a presentable manner. Once sale is over, you should fold the tables and return all items in storage. The volunteers must count all the money, complete the ledger, and return it back to Ms.Safinaz/Ms. Nisreen  at the main office.

If you have any questions or concerns, please email pto@agenj.com or message us on WhatsApp. Thank you!
